2 Seater (Bench) W: 450mm H:750mm

Sturdy, compact, spacious and a unique design element encompass the features of Firmo. The front structure is a desk with a modesty panel, the middle structure is a desk and a bench and the last structure is just the bench. These three structures attached into one, without compromising on movement within the structures and dimesnions can be customised in case of large requirement which makes Firmo an ideal choice.

A lightweight, small yet comfortable design of the Viva combined with an angular design and base grips for a scratch free flooring enables easy movement. The chair and desk being separate units, makes stacking easy. Viva is available in a uniseater or twin-seater combo.

Edge is designed with simplicity, yet a sturdy structure for extreme comfort and a mesh book shelf. The two chairs adopt a similar mesh design, and electing this indeed gives the perfect scholastic edge

L: 1200mm D: 450/600mm H:750mm

L: 1200mm D: 450/600mm H:750mm

A solid wooden top, metal base legs and a modesty panel joining the legs, forms the basic shape of J Leg, which is a good choice for simple and modern study spaces.

Library Furniture

Customising your encyclopaedic arrangements and zero disturbance study spots at a library setup just gets easier with Featherlite's Library Range. An A'Design Award 2014 winner for one of our front runners in the Library Design segment only reflects our international acclaim. Choose from our simple range of display racks and Carrel Desks to complete your Library collection.

One Sided Library Rack

Introducing the star of the Library Range, "Guide". Designed to perfection and the winner of the International A'Design 2014 Bronze Award in Milan (Furniture, Decorative items & Homeware Design Category), it can be colour coded and indexed, enabling anyone to find the knowledge they desire among the vast ocean of books. With a modern 'Metro' curve at one end, 'Guide' can be extended infinitely with extra racks at the other end to make a one sided library rack or even attached parallel to another rack and make it a two-sided rack, that can again be extended infinitely.

L: 1500mm D: 400mm H: 2100mm

Students who demand zero disturbance for utmost concentration in a Library, will love our Study Tables & Carrels that are designed with optimal customisability, where partitions can be placed for privacy.

Study Tables

Study Carells

Grow

With a frontal pattern that signifies connectivity, Grow is uniquely designed with the option of attaching a filler plate in between two desks that help in creating an angle of up to 18°. Attach more desks with such filler plates and you have the perfect setup for a seminar hall no matter what the structure's radius is. It also allows you to manage data and electrical requirement to any seat.

Q-Boid Created to perfectly sync with cuboid spaces, the Q-BOID series comes in three variants, 'Independent', 'Bunk Bed' & 'All In One'. A table, a bed and a storage closet are intellectually designed into these three series and every option equally prioritises space and privacy.

Independent Series

Edge Study Table

Available in a combination of various wall storage units and a pin-up board, the Edge Study Table that helps in utmost concentration. It is made up of a tubular metal structure and a PLB (Pre Lam Board) table top fulfilling a fully functional simple design structure.

All In One Series

Bunk Bed Series

Reside

An elite combo of a cot with storage space, a study table with storage space, wall units & pin-up board and a storage cabinet completes 'Reside'. An excellent finish gives these set of products an elegant look and elevates the room's ambience.

BED L : 2000mm W : 900mm H : 450mm

WARDROBE L:900mm W:450mm H:1800mm

Subtle magnetic board colours integrated with a premium white shade, Flexi Plan personifies a professional working environment and motivates students to a more mature and competitive behaviour.

Designed intuitively for a multi-functional computer lab setup, Edge acts as a flexible option for an individual or a team work environment with the option of partitions. Also available is the single system table with one wire manager for core production based training where more than one display monitors have to be used.
